**D**r. Bob Basu returns as a Top Doc in Plastic Surgery for the second consecutive year. He serves as director of *Basu Plastic Surgery* and *The Center for Advanced Breast Restoration*. He specializes in:

- Cosmetic plastic surgery (breast, body, face)
- Body contouring restoration for moms or after massive weight loss
- Breast reconstruction including state-of-the-art techniques using one's own tissue

From the initial consultation, Dr. Basu works diligently to provide you with the highest level of personalized care. He meticulously listens to your goals, always encourages questions, and addresses every concern. He takes the time to provide you with a comprehensive understanding of your options, empowering you to make informed decisions.

In every case, Dr. Basu strives to provide the most natural-appearing results to restore or enhance your own natural

beauty and form. *Basu Plastic Surgery* has an unconditional commitment to optimizing patient safety and comfort to ultimately make your individual experience a pleasant journey.

Dr. Basu is a recognized contributor on the topic of patient safety in cosmetic surgery and is Board Certified by the American Board of Plastic Surgery. Most recently, he has been honored with the 2008 American Medical Association Foundation Leadership in Medicine Award.
